

Kaleigh Flynn

UX Designer

Experience

● Interaction Designer | 2022 - Present

- Lead UX for Google Workspace Studio, designing end-to-end AI experiences that automate complex workflows for millions of users.
- Architected scalable design systems utilized by 100+ designers and engineers to ensure functional excellence across the ecosystem.
- Championed AI literacy by founding a Workspace-wide education program, upskilling the design org on AI prototyping and tooling.

○ Product Designer II | 2019 - 2022

- Delivered end-to-end UX for Cloud UI, creating high-fidelity prototypes and scalable workflows for complex billing and networking systems.
- Collaborated across Security and Platform teams to ensure high-quality implementation through direct code and design reviews.
- Standardized design patterns for data-heavy cloud infrastructure, improving consistency across multiple global product suites.

○ UX Design Consultant | 2018 - 2019

- Led rapid design iterations for a global HR profile, streamlining internal employee experiences for the CSEO group.
- Defined experience standards alongside PMs to align enterprise business goals with user-centric functionality.
- Bridged design and engineering by facilitating technical handoffs and ensuring high-fidelity feature deployment.

○ Lead UX Designer | 2016 - 2018

- Architected a comprehensive UI Pattern Library for a full platform redesign, ensuring cross-product visual consistency.
- Designed and deployed interactive dashboard widgets, utilizing a developer background to enhance client-side engagement.
- Spearheaded Design Thinking workshops and internal innovation forums to evangelize a design-first culture company-wide.

Skills

- AIUX
- Rapid AI prototyping
- System Thinking
- Information Architecture
- Design systems
- Design-to-Code Collaboration
- Figma
- Antigravity/Gemini CLI

Passions

- Baking
- Dungeons & Dragons
- Yoga
- Powerlifting
- Hiking
- Reading (Fiction/Non-fiction)
- Writing

Education

Villanova University

B.S. Computer Science
and Communications

2012 - 2016
